1. On the **07<sup>th</sup> of November 2011** at approximately **0900 hours** UTC time at position Lat: 01 02' 455" South 156 23'243" East, Fishing Vessel Eastern Marine with International Radio Call sign, **6PACKS**, was transferring fish to Fishing Vessel Tuna Queen with International Radio Call sign, **1CTN**, using the main skiff boat.
2. The transshipment was instigated by **Shin Fa Quan** master of Eastern Marine and **Shun Shi Wan** master of Tuna Queen.
3. I told the master of my host vessel Eastern Marine that it is illegal to transship using this method, the master replied and I quote “ **Ok lah, no problem**” end of quote.
4. Upon hearing that, I took note of what was happening and at the same time getting some snap shots of the transshipment activity.
5. The transfer ended at approximately **1030 hours** and we began searching again.

This statement is true and correct in every particular to the best of my knowledge without duress and was made on this **30<sup>th</sup> Day of November 2011**.
