<b>Further information on incident</b>															
<p>The observer has observed an alleged high sea transshipment of Eastern Marine and Tuna Queen on the date and time specified above. It was alleged that the observer 's host vessel after filling up all its wells after the set, the remaining catch of around 20MT were brought on-board and stowed at the lower deck to be transhipped to another vessel. It was stated by the observer that, his host vessel steamed for 1 hour to meet up with Tuna Queen and started transferring the Tina using the skill boat. The observer upon seeing that, took some photograph and and made notes on his trip journal on page 12. he also use his voice recorder to secretly record what as said by the vessel master of his hist vessel and he quote. Other supporting information in relation to this allegation is attached for further appropriate action</p>
