

Tools for implementing a data collection programme

Session overview

- Challenges and opportunities for implementing a national artisanal data collection programme
- Working with fishers
- Coordinating a national workshop
- Data feedback to fishers
- Information pamphlet for fishers

Challenges and opportunities

In working groups, list:

1. Challenges that you might face in implementing a national artisanal data collection programme
2. Opportunities for implementing a national artisanal data collection programme

2 working groups; 15 minute discussion; 5 minute presentation to group

Working with fishers

In working groups, discuss and document:

1. Challenges that you might face in working with, or getting data from, fishers and communities
2. Strategies or approaches that will overcome these challenges

2 working groups; 20 minute discussion; 5 minute presentation to group

Coordinating a national workshop

Data feedback to fishers

Tournament Results:

1. You	33.44
2. Roman Marlin	19.41
3. Harry Sawchuck	17.36
4. Lucky Larry	17.00
5. Chris Egerter	16.02
6. William Jive	15.60
7. Rob Speedler	15.51
8. Bert Liner	15.32

You won \$20,000 for 1st place!

Team	Total Pt	Team	Total Pt
1 Riffal - Multisport	8.78 196	19 Collins - Sisk	5.24 192
2 Gentry - Strickling	5.22	20 Pincalton - Pincalton	5.80
